Benefits

Safe and healthy

Green Label Plus certified ensuring that you are purchasing the very lowest VOC-emitting products on the market
Improves indoor air quality by trapping particles, removing them from the breathing zone and reducing their circulation
Slip Resistant
Cushion falls and reduces the risk of injury
Soft to the touch but also for the body thanks to its shock absorption capacity which helps limit damage to muscles and articulations

Environmentally-Friendly

Our carpets are made with clean energies such as hydro-electricity and natural gas
All of our carpets are made with solution-dyed fibers a process that reduces significantly our water consumption.
